SOMETHING EXTRA SPECIAL

We recognise that some families require an extra special tribute for their loved one. To this end, we have two ranges that offer the ultimate in quality and bespoke options.

Artiste™ range

The Artiste range of uniquely personal engraved coffins enable families the ability to make a very personal statement, when reflecting on the life of a loved one. The Artiste range allows the inclusion of names, poems, images, prayers – almost anything that can be engraved onto our veneered, painted coffins and caskets.

Signature range

As the name suggests, these coffins are highly individual and fashioned from the choicest solid woods, making the most of the natural grain and colour variations. Each one is finished by hand so that no two coffins are exactly the same, making them uniquely appropriate for your loved ones final journey.

BRITISH CRAFTSMANSHIP

Manufactured at the edge of Sherwood Forest in Nottinghamshire, our coffins and caskets are second to none. Uncompromising quality is assured on all our products and we are proud to uphold the values of The Guild of Master Craftsmen.

The Guild of Master Craftsmen continues a long established tradition of bringing together skilled people engaged in a trade, craft or profession in order to safeguard the interests of the public.
